50 mm towing hitch
for rugged conditions and off road applications

- Larger angle of swing for improved off road use: vertical ± 30°, horizontal ± 100°
- Especially suitable for heavy loads, also off road D-value up to 260 kN
- Reduced and uniform wear due to rotating pin
- Easy to repair due to split funnel and ROCKINGER modular engineering
- Simple to install
- For 50 mm towing eyes according to 94/20/EC and DIN
- Available with a pneumatic remote control ex factory or as an upgrade kit
- EU approval according to 94/20/EC
