57 mm towing hitch
for the high demands of on road and off road use

- Better off road characteristics thanks to specially designed rubber bearings
- Well suited to tough conditions with a D value of up to 260 kN, even off normal roads
- Rotating bolts guarantee even wear
- Low-maintenance due to special grease filling for extreme temperatures
- Easy to repair thanks to a split funnel and the ROCKINGER modular construction system
- Easy to mount onto the vehicle thanks to an aligned locking system
- For 57.5 mm towing eyes complying with the Swedish norm
- Available with a pneumatic remote control, ex works or as an upgrade kit
- ECE R55-01 approval
## Technical Specification

57 mm towing hitch for the high demands of on road and off road use ECE R 55-012535
